Brighton Creek Craftsman home built by award winning Summit Custom Homes. They are known for adding that personal quality touch to every detail of their homes. You will see it when you pull up in front of this wonderful home located on a corner lot. The open plan is warm and inviting and has stunning hardwood floors running through much of the main level. The formal dining room is framed by columns which add an elegance to your entertaining experience. The study is off of the entry and features custom trim work. The great room is spacious and has a wall of windows to let in the light. The hearth room is truly a sight to behold with the soaring ceilings, tons of windows and gorgeous fireplace. It flows into the kitchen and spacious dining area. The kitchen has a wonderful island with raised bar, granite countertops, tile backsplash and large pantry. The wide double staircase leads to the luxurious upper level with spacious bedrooms- all with attached bathrooms, upgraded trim and large closets. The Master Suite is an oasis with vaulted ceilings, gorgeous details, attached laundry room, truly large walk-in closet and the stunning Master bath with double vanities, gorgeous cabinetry, luxury tub, tiled floor and shower and so much more.
